Water Supply Interruption: Greater Gaborone, Mahalapye, Palapye and Morupule

Public Notice
Kitsiso Sechaba
17/11/2016

The Water Utilities Corporation (WUC) would like to inform its customers in **Greater Gaborone, Mahalapye, Palapye and Morupule** that water supply to their areas will be affected until further notice. This is due to technical challenges experienced as a result of thunderstorms on the North South Carrier Scheme I pipeline.

The Corporation is working around the clock to restore the situation.

For further information call 0800 555 555 or *186#
