PUBLIC ANNOUNCEMENT

NON-FISHING SEASON

The public is advised that the period of the 1st January 2017 to the 28th February 2017 is a non-fishing season in all Water Utilities Corporation dams. This is based on fishing regulations as advised by the Fisheries Division in the Department of Wildlife and National Parks.

This regulation applies to both commercial and leisure fishing and is intended to facilitate fish breeding. It is imperative that the public strictly adhere to this restriction. Violating this restriction constitutes a criminal offence.
